

**McAdenville**  
**Community Crime Watch**  
**Meeting**

**When: Wednesday, August 28, 2019**

**Time: 6:30 PM**

**Where: Spruced Goose Station outdoor patio &  
McAdenville Fire Station**

All residents and local businesses are welcome to attend this McAdenville Community Crime Watch meeting. It's a great time to meet and get to know your neighbors and local business owners.

Chief Adams of the Cramerton Police Department will be on hand to give us our local crime statistics and talk with us about how to make our individual properties safer and more secure. A signup sheet will be available for residents and owners to request personal security checkups by CPD, and Chief Adams will tell us what is involved in a security checkup. He'll also clarify the difference in emergency and non-emergency police calls and which phone number to call for assistance.

Don't forget to grab a drink, meal or ice cream at Spruced Goose Station while you're there. They are a great McAdenville local business and we're proud to support them and have them as members of our McAdenville Community Crime Watch!
